Peak View Ranch is honored to provide the foundation heifer for 2019. This young April heifer is our pick of the spring heifer calves. She exemplifies our program that utilizes the diverse and exceptional genetics our breed is blessed with. Her sire, Peak View Journey was shown very successfully and is utilized now in our operation as a herd sire. He carries breed greats like SFS Danny D and MAV Charisma. She is out of a cow that brings performance oriented cattle like Waukaru Gold Card and Peak View Cosmo to the pedigree. She is extremely well balanced in her EPDs and will be easy calving and maternal as a cow. We are also offering 2 units of semen as part of this lot on Peak View Marksman, a tremendous son of Sull RGLC Legacy. Marksman stood reserve champion Shorthorn bull in Fort Worth and caught so much attention from cattle enthusiasts of all breeds. Peak View Stevie is halter broke and ready to show or go home and be part of your operations replacement pen.

This year, both exhibitors were excited to participate. What a great way for our Junior Members to give back and appreciate their success!
