# SHORTHORN YOUTH DEVELOPMENT FACTS

The Shorthorn Youth Development Fund was established in 2020 to provide financial support to develop Shorthorn youth as cattle producers and responsible, productive citizens. The fund is dedicated to enriching the lives of youth interested in agriculture, through support for the educational and leadership activities of the American Junior Shorthorn Association.

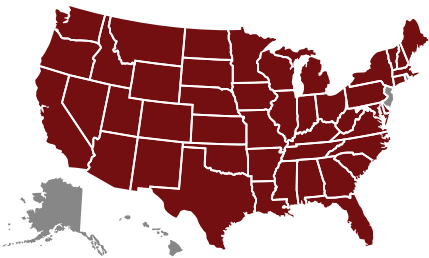

The Shorthorn Youth Development Fund is a non-profit organization and resource that allows you to directly invest in the future of the breed that is your business, your lifestyle and your passion. The reason for building this fundraising platform was to streamline the donation process and make contributing to youth development more accessible for everyone, especially those whose business directly benefits from junior and family customers.

With the changes to our new fundraising platform, we are raising money as annual pledges towards the Shorthorn Youth Development Fund. If you make a pledge donation, you will become a member of the new "Shorthorn Red, White and Roan Club." Membership level is based on the actual monetary value of your donation. Red, White and Roan Club Members receive recognition in many forms. If you have questions about recognition or levels, contact [shelby@shorthorn.org](mailto:shelby@shorthorn.org).

The fund accepts checks and credit cards. You can even set your contribution up to be billed directly to your DigitalBeef Shorthorn Registry account on a one time, monthly or quarterly basis. No contribution is too small, and every dollar counts!

By making the commitment to "pay it forward" through your pledge to the Shorthorn Youth Development Fund, today's breeders accept responsibility of seeing to it that our youth have the opportunities they need to prepare for their time as the Shorthorn breeders of tomorrow.

*Building youth programs to ensure and expand the future of the breed.*
