AMERICAN JUNIOR SHORTHORN ASSOCIATION

Each year, we feature our retiring members in the exhibitor folder to highlight their time as an exhibitor.

If this is your last year to exhibit cattle at the National Junior Shorthorn Show & Youth Conference because you are aging out as a junior member, please send 3-4 photos and answers to the following questions to shelby@shorthorn.org by **May 20** to be featured.

If we do not receive your materials, you will not be featured. ***If you do not want to be featured – also please let me know. There is no guarantee all sent photos will be used.***
